DODGE COUNTY BUILDING INSPECTION & ZONING DEPARTMENT

JEAN ANDREWS, Zoning Administrator

Courthouse - 435 N. Park, Room 204 Fremont, Nebraska 68025 Phone: (402) 727-2724

Dodge County issues building permits when the property is located beyond the City of Fremont's 2-mile, and Hooper, Nickerson, North Bend, Scribner, Snyder and Uehling's one-mile jurisdictions.

Building Permits are required when the cost of the material and labor exceed \$700.00. If you are a do-it-yourselfer, you will still need to include your labor in the total amount of the project.

The building permit application can be downloaded from the website, filled out and brought into the inspection department along with a set of plans in the event the project is new construction, such as a new home. Permits are required for additions to homes, garages, replacing windows, siding and re-shingle.

Dodge County inspects footings before concrete is poured, rough-in plumbing and mechanical, framing and a final as a Certificate of Occupancy.
